

HoHo Vienna: GATE 9, the long-awaited Holistic Health Club has opened its doors. Other tenants will be moving into their spaces during the summer. Interior construction of the HoHo Hotel is underway and proceeding according to schedule.

Despite the difficult circumstances faced by the construction industry due to COVID-19, interior construction at HoHo Vienna is in full swing and experiencing no significant delays. The floors are now in the process of being handed over to tenants one by one. Kerbler Holding, cetus Baudevelopment and ViennaEstate Immobilien AG will be moving into two floors during the summer. Hotel construction is also proceeding *in time*. Handover of the fully developed floors to DORMERO HoHo Hotel for final completion will be on schedule. The logistics company Kardex, hearing aid specialist Neuroth and Galerie Schaudium have already opened, the Ströck bakery is scheduled to follow at the end of June.

(Vienna, 17 June 2020) The **Holistic Health Club** in HoHo Vienna has opened its doors and dazzles with a cool, elegant style. The extravagant, timeless composition of **Manhattan style meets spruce** accommodates a wide range of offers on an area of 1,500 sq. m.: cardio, strength, functional and endurance training, the obligatory free-weight area as well as yoga and group fitness. At any rate, the 100 sq. m. terrace, located adjacent to the sauna and completing the plentiful health and fitness features, is a true sports oasis and meeting point. Inauguration of the pedestrian zone in front of HoHo Vienna

Starting mid-July 2020, Wangari-Maathai-Platz, the HoHo Vienna forecourt belonging to the City of Vienna, will be opened as the **entrance to Seeparkquartier** and embellished by an architectural work of art. This will ease access for tenants and to the HoHo Vienna shops. DORMERO, the tenant of the HoHo Hotel, continues to schedule the hotel's inauguration for autumn, including the opening of the restaurant and of the seminar area.

Premises available in HoHo Next, HoHo Health and HoHo Beauty

While HoHo Tower has hardly any office spaces left, **HoHo Next still offers** a move-in-ready unit of approximately **3,400 sq. m.** suited particularly for a SINGLE company, because it is served by a separate entrance and a separate lift group. A **100 sq. m. terrace** with a view over the lake completes the offer. The 3rd + 4th floors of HoHo Vienna are reserved for the two sections **HoHo Health and HoHo Beauty**. These **two floors with around 1,800 sq. m. in floor space** provide a setting for the good and healthy things in life.
